V. P. I. ELEVEN READY FOR SATURDAY'S GAME

COACH RIESS TAKES THE SQUAD THROUGH PRACTICE

Coach Boeck Working Hard to Perfect Eleven for Saturday's Game. (Special to The Times-Dispatch.)

At Richmond, Va., September 23.—The V. P. I. football squad continued its activities on Miles Field during the week. Up to the present, a number of good football men have arrived to join the squad, much to the delight of the students who are here. One of the most valuable of these men is Moore, who played a star game at Smith in 1913. "Hooper" has been working at half back during the week, and is not only showing up well, but bids fair to win a permanent job at this position.

Another player of promise is Roy Venable. He is fast and active, and apparently a ready, consistent man. In addition to these two, some other men have come in since Saturday night. Savage, a Northern prep school center, and a Southern prep school center, both of whom have been working with the 190 pounds, promises to make some one a battle for a job. Benedict, of Hampton-sidney, is expected to-day. His weight and experience should easily secure him a position. Howell and Williams, two husky line men, will have to be reckoned with.

Despite the fact that the King College team is expected to be unusually fast and heavy, averaging 225 pounds, Coach Boeck has ordered to his original policy. Fearful lest he should bring the team to the highest efficiency and have it to state on him for the big game, he is still working the men easy, while steadily bringing up on them. His quest for a punter has partly solved itself in Myrick, who has been showing up lately. Robinson also can boot the ball some.

Practically the whole squad, some thirty-five men, will be used in Saturday's game against King College. With the exception of the line, the team is up to a high pitch. Knowing that good showing then may mean a seat at training table, they are working with a will and the rivalry is keen.

With the arrival of the majority of the students on Saturday morning, the squad will be doubled in size, and it has been rumored that the tech will be provided and different sets of uniforms will be used, thus enhancing the value of the daily scrimmages. Whether this materializes or not, there is no doubt that the outlook now is promising, and that it has been for a number of seasons.

INDIANS BEAT LEBANON: CORNELL SCORES 28 POINTS

CARLEISLE, PA., September 23.—The Carleisle Indians, who are the Lebanon Valley's tremendously heavy and well-trained football eleven here this season, have won their first game, which hardly gave the Red Skins a chance to start.

The score was made until the fourth period, when the visitors were much fatigued. Carleisle's work in scoring was hampered by fumbles.

ITHACA, N. Y., September 23.—Cornell defeated Ithaca easily this afternoon in the opening game of the local football season by the score of 28 to 4. The visitors were no match for the Ithacans, who when the regular team was on the field had little trouble in routing the Cornell eleven. The Cornell backs were a feature.

The Ithacans used most straight football.

NATIONAL LEAGUE

(Continued From Fourth Page.)

Butler scored the winning run in the seventh, coming home on a wild pitch. Marquand was pounded freely in the second battle. The scores:

FIRST GAME.

PHILLIES WALLOP CUBS

PHILADELPHIA, September 23.—Alexander won his twenty-sixth victory of the season to-day when the Philadelphia Nationals walloped the Chicago Cubs, 9 to 1.

The Phillies for thirteen hits, Becker getting a home run and Cravath knocking out two home runs, which were responsible for seven of the nine runs.

The Cubs could not do much with Alexander's pitching, and he eased up after the Phillies led 5-0 in the seventh.

Chicago. Philadelphia.
